It is my great pleasure to welcome the **REVEAL International Contemporary Art Fair** to one of America's great small cities, Saratoga Springs. If you've been here before, you know what a wonderful place Saratoga Springs is and you've hopefully been looking forward to coming back. If this is your first visit, you'll be astonished at the beauty, charm, welcoming nature, sophistication and remarkable wealth of attractions, restaurants, museums, cultural arts, retail shops and fine accommodations Saratoga has to offer.

Saratoga's award-winning, walkable and vibrant downtown is a jewel among destination cities. Our springs are a treasure worth celebrating and you'll find several mineral springs with their unique waters flowing freely all-around town. Horses are at the heart of Saratoga. When people talk "track" they only mean one thing – the Saratoga Racecourse – a cultural icon and one of the world's top 20 sports venues, according to Sports Illustrated Magazine. If you're hungry, there's no place better to grab a bite. In fact, Saratoga boasts over 100 restaurants and bars within walking distance; the energy is contagious!

It's amazing that a city the size of Saratoga (approximately 29,000 year-round residents) can welcome millions of visitors each year, but our satisfied "customers" return again and again because Saratoga has always been some place special. Health, History and Horses is a catchphrase that's almost too simple in summing up all that is Saratoga. It's much more than that, we also welcome the cultural arts and we can't think of a better event to host in our vibrant city! We are excited to be the back drop for the premier edition of **REVEAL**, and we look forward to hosting this inspiring event for many years to come!

Sincerely,
